Tree of Life Narrative Therapy: An In-Depth Exploration

Introduction to Tree of Life Narrative Therapy

Tree of Life (ToL) narrative therapy is a strengths-based, culturally sensitive approach rooted in the power of storytelling. It emphasizes resilience, growth, and interconnectedness, helping individuals and communities construct meaningful narratives about their lives. Originating from community development and narrative therapy traditions, ToL has gained recognition for its versatility across diverse settings, including mental health, education, and social work.
