The Mayflower Compact, signed in 1620 by the Pilgrims aboard the Mayflower, was a foundational step toward self-governance in America. Essay Question Sample

Q4: Analyze the causes and consequences of the Civil War, emphasizing how sectional tensions over slavery contributed to the conflict.

Answer:

The Civil War's roots lie deeply embedded in sectional tensions between the North and South,

primarily centered on the issue of slavery. As the nation expanded westward, disputes arose over whether new territories would permit slavery, leading to legislative compromises like the Missouri Compromise and the Compromise of 1850. The Dred Scott decision further inflamed tensions by ruling that African Americans couldn't be citizens and that Congress couldn't ban slavery in the territories. The election of Abraham Lincoln in 1860 as an anti-slavery candidate prompted Southern states to secede, fearing the abolition of slavery and loss of political power.

The war itself resulted in immense loss of life and ultimately led to the abolition of slavery with the 13th Amendment. Its aftermath, Reconstruction, attempted to rebuild the South and integrate formerly enslaved people into American civic life, but it also left unresolved racial tensions that persisted long after the war's end.
